

Murdered one February night in 2007, detectives have yet to solve the murder of Harrison Fambrough. Metro talks to his father about what happened that night and if he's any closer to knowing who gunned down his son.

### Reformers' Roundtable Latrice Bryant saga

Presented as a joint project by:

**What should Councilman W. Wilson Goode Jr. do about his chief legislative aide, Latrice Bryant?**

**What new rules should be put into place, across all Council offices, to ensure something like this can't happen again?**

**What involvement, if any, should the city's Commission on Human Relations play in this situation?**

Latrice Bryant isn't happy with Fox 29.

**J. Matthew Wolfe**  
Attorney and Republican Ward Leader

What do you have to do to get fired by the city? She falsifies timesheets and steals from the taxpayers. She tries to employ racial McCarthyism to scare off the media in a way that is unbecoming of any public servant.

Council members cannot be given unfettered discretion to keep staff members whose conduct is corrupt.

They should conduct an investigation to determine if Councilman Goode and his aide are attempting to falsely use race to intimidate the media.

### Council staffer spurs racial controversy

**CITY HALL.** Like anyone charged with skipping out of work early by a television news crew, City Council aide Latrice Bryant did the obvious thing: She called the station racist and said the reporter was a member of the KKK. And thus began a controversy that has continued to boil a month later, and got more interesting last week when Fox29 revealed photos of Bryant and boss Councilman Wilson Goode looking very "friendly" together at the beach.

**Kevin Thomas Jr.**  
PNC Bank branch manager

Since it's in the open, he needs to begin the process of showing her accountable, and has also increased her workload enough to cover the cost of her inflated salary.

I don't think it's an issue of new rules. It's an issue of the violation of existing rules. Punitive action needed to be taken to send the message that this will not be tolerated. That message needs to come from the top.

They could play a minimal role but the Nutter administration needs to stick to its platform of cleaning up City Hall and eliminating corruption. This is not an isolated incidence, but it needs to be.

**Danny Cevallos**  
Attorney

Promote her. Don't make her mad! She launched a race controversy because Fox29 investigated her for not working. This is not an employee I'd want to disgruntle. She'd write a nasty tell-all.

New rules? What about the OLD rules? Like "Show up for work," and "No KKK signs in the office." I used to think those were enough.

The Commission enforces civil rights laws and investigates inter-group conflict. The issue should have just been whether a city employee was working, but unfortunately it has become a race issue. The Commission can get to the bottom of it.
